About us

Nutraceuticals

D10 Enterprises merges science and sustainability to create thriving brands. As a top third-party manufacturer in cosmetics, herbal formulations, and nutraceuticals, we focus on well-being. Our advanced infrastructure and expert R&D team take products from concept to market, offering formulation, design, packaging, and regulatory support. With a startup-friendly approach, low MOQs, and timely delivery, we help businesses grow without sacrificing quality. In a wellness-driven market, D10 Enterprises enables brands to provide high-quality products at competitive prices, ensuring profitability and repeat customers.

Our Vision

To become a global benchmark in cosmetic, herbal, and nutraceutical manufacturing — where innovation, nature, and precision converge.

D10 Enterprises envisions a future where every entrepreneur and brand can turn their dream into a tangible product, built on trust, science, and sustainability.

We aspire to lead the industry with a philosophy rooted in our tagline:
Dream | Desire | Deliver — because every idea deserves to become an impactful product that uplifts lives and enhances well-being.

Our Mission

At D10 Enterprises, our mission is to empower both startups and established brands with world-class manufacturing solutions that are:

- Custom-formulated for cosmetic, herbal, and nutraceutical needs.
- Packaged with precision, reflecting each brand's identity and purpose.
- Scalable and export-ready, with uncompromised quality and compliance.
- Startup-friendly, offering flexible MOQs and seamless onboarding.
- Delivered on time, ensuring clients never miss their launch timelines.

We exist to help brands bring safe, effective, and profitable wellness products to market — blending scientific excellence with natural integrity to create formulations that inspire global trust.

Nutraceuticals

At D10 Enterprises, we craft science-backed wellness solutions that merge nature and nutrition. Our nutraceutical products are designed to enhance immunity, energy, and overall vitality, with every formulation built on purity, precision, and proven efficacy. From concept to capsule, we help brands deliver trusted, high-quality supplements that meet global standards.
